

## 2011 Johanna Sewell Sarcoma Research Grant Information

### Background

Ms Helen Sewell (AM) is a National Director of Redkite <http://www.redkite.org.au/>, one of Australia's leading philanthropic organisations addressing the needs of young people with cancer. Helen was appointed a Member of the Order of Australia in recognition of her substantial community contributions. Helen is a key supporter of the Australasian Sarcoma Study Group (ASSG) and has been involved in its development since inception.

Helen's commitment to addressing the burden of cancer in young people and sarcomas in particular, was inspired by personal experience. Her daughter, Johanna, was diagnosed with bone cancer (osteosarcoma) and tragically succumbed to this disease in 1989. In honour of Johanna, Helen has donated \$50,000 to the ASSG to support sarcoma research.

### The Grant

The ASSG is offering a \$50,000 grant named in honour of Johanna Sewell. The grant is for direct research costs for clinical or translational research into sarcomas. The grant is offered for 12 months, at the end of which, the proposed work must be completed. Helen's intention is that this grant will be offered annually.

While the objective is to support the best possible research into sarcomas, there are some areas of particular priority that the ASSG encourages for this grant:

- research into bone cancer (osteosarcoma);
- entry into the field of high quality research groups not already working on sarcomas;
- projects which leverage existing ASSG investment into sarcoma research (including but not limited to studies like the International Sarcoma Kindred Study and clinical and translational research projects that the ASSG supports); and
- clinically focused research.

### Expectation

The grant recipient would:

- become a member of the ASSG;
- report at the completion of the project (12 months) to the ASSG and the Johanna Sewell Memorial Fund; and present the findings at the annual ASSG meeting; and
- cite the ASSG and the Johanna Sewell Memorial Fund in any publication.

### Application

The grant is awarded for direct research costs - salary support is not allowed. All applicants should include a budget with their application. Selection criteria include track record and project feasibility, innovation and excellence. Information and application form may be downloaded from the ASSG website [www.australiansarcomagroup.org](http://www.australiansarcomagroup.org) or through email inquiry to [sarcoma@petermac.org](mailto:sarcoma@petermac.org) or telephone to the ASSG Secretariat on 1800 177 657.

Applications close 5pm Friday **September 30 2011**. The recipient will be announced at the Annual Sarcoma Conference on Saturday 15 October in Melbourne <http://www.australiansarcomagroup.org/BookingRetrieve.aspx?ID=117080>.

## 2011 Johanna Sewell Sarcoma Research Grant Application

In honour of her daughter Johanna who was diagnosed with bone cancer (osteosarcoma) and tragically succumbed to this disease in 1989, Ms Helen Sewell (AM) has donated \$50,000 to the Australasian Sarcoma Study Group (ASSG) to support sarcoma research. The grant is for direct research costs for clinical or translational research into sarcomas and is offered for 12 months. Selection criteria include track record and project feasibility, innovation and excellence.

To apply for the Johanna Sewell Sarcoma Research Grant, please provide the following information up to a **maximum of 6 pages** to the ASSG Secretariat by **5pm Friday 30 September 2011** (details below).

1. Applicant name
2. Institution
3. Contact address, telephone and email for correspondence
4. Project title
5. Investigator(s) names and institution
6. A description of the project with specific, measurable milestones to be reached by the end of the 12 months (2 pages)
7. A statement outlining how the project will leverage existing ASSG investment into sarcoma research, which includes but is not limited to the International Sarcoma Kindred Study and clinical and translational research projects that the ASSG supports (half page)
8. A statement describing how the outcomes of a sarcoma research grant would enable you to contribute to your chosen field and career goals (half page)
9. Any letters of recommendation or support that you wish to provide, *which are relevant* to this application
10. A budget, which includes a statement about the collateral investment that you, your laboratory or group will provide
11. A declaration that the information that you have provided with this application is complete, true and correct in every particular aspect

The recipient will be announced at the Annual Sarcoma Conference on **Saturday 15 October** in Melbourne <http://www.australiansarcomagroup.org/BookingRetrieve.aspx?ID=117080>.

### CLOSING DATE FOR APPLICATIONS

Applications for the 2011 Johanna Sewell Sarcoma Research Grant must reach the ASSG Secretariat by **5pm Friday 30 September 2011**.
