- Any letters of recommendation or support you wish to provide *that are relevant* to this application.
- A budget for use of the award.

7. Declaration

I declare that I have read and understood the eligibility criteria for the 2010 ASSG Sarcoma Research Award and that the information that I have provided on this application and within the attachments is complete, true and correct in every particular. I acknowledge that the sarcoma research award selection panel may terminate my award if I have misrepresented my past and/or present circumstances and that this termination may take place at any stage during my PhD or MD studies. I am aware that I must not be concurrently enrolled in another course, unless approval is granted from my PhD or MD supervisor and my academic institution.

I authorise the sarcoma research award selection panel to obtain any relevant information about me including the status of my application for candidature for PhD or MD and Postgraduate Scholarship in connection with this award application from my academic institution.

I agree to abide by the conditions of the ASSG Sarcoma Research Award as amended from time to time. I am aware there are severe penalties for providing false or misleading information. I understand that if I am the sarcoma research award recipient that my project supervisor will keep a copy of all the application information that I submit.

I understand that only ASSG members with direct responsibility for scholarship selection information will have access to this application with attachments and that the information will not be used for any other purpose, except as required by law.

I understand that I have the right to access or correct any personal information that the ASSG holds (enquiries: sarcoma@petermac.org).
